

ART - PUPIL VOICE

Nursery	'I'm drawing a roller coaster. They are up and down lines for the roller coaster. I'm using red chalk on black paper.'
Reception	'I like it when I get some paper and cut out loads of creatures' 'I like drawing stuff' 'I like drawing my family'
Year 1	'I really enjoyed looking at the artist Quentin Blake we tried to copy his style by holding our pencils in different ways.' HB 'My favourite part was using the clay to design and build our animals from our English Report. Mine was called a Sbera.' LM 'I liked looking at Quentin Blake pictures. I drew one of Matilda.' 'I enjoyed drawing flowers with different things, I used charcoal, oil pastels and watercolour.'
Year 2	'For me, I like seeing the end result in my art work.' O.G 'I like to see what my picture looks like after all the other steps come together.' A.A 'I enjoy mixing, making and using different colours.' N.R. 'I like art because we get to make different things using different resources; like my clay minibeast and portraits.' E.L 'I like art at school because we get to use many different skills and use many different materials. We get better by practising our skills and we make sketches that we can look at. I liked making a bug out of clay!' AM 'I liked weaving - it was fun.' G 'I like to design before making.' J 'I liked making the clay bugs because we had to start with a pinch pot.' E
Year 3	'We have used paint to look at tone, tint and texture. We added flour to paint to give it texture and we recreated the 'Flowering Garden' painting by Van Gogh. I showed my sister at home how to do it!'
Year 4	'I liked being an Art ambassador.' 'I like to see what my picture looks like after all the other steps come together.' 'I like art because we get to make different things using different resources. I also liked making different things like a castle. I liked using paper-mache, clay and mud rock.'
