

Religious Education – Pupil Voice

"RE is a way of learning about religions and beliefs of others, that may be different to our own."

"I like that RE takes us into a world of different religions - like we get to be a different person."

"I enjoy learning about other religions."

"I find it interesting to know facts about charities and people linked to religions."

"I like learning about the history of religion."

"I like that we can see all of our learning on our wonder wall."

"We have been Drawing and looking at different symbols of Gods."

"I have learnt about God and Jesus, Buddhism, Sikhism, Islam."

"I have enjoyed watching different videos about the different gods like Buddha."

"We have compared different art work in churches and mosques, and compared Christian and Islamic music."

"We had a great discussion about what the meaning of life is."

"Our class explored the question is believing in God reasonable and what it means to be theist, atheist, agnostic."
