

What do pupils at John Bunyan think of science at our school?

What do you like about Science at John Bunyan?

“That we get to do experiments and dissections. Also, you deepen your learning” Year 6 pupil

“That you get to learn new things about the world” Year 5 pupil

“I love it because it is very fun, and I like doing experiments” year 5 pupil

“We get to do fun things. We enjoy learning about sound and states of matter” Year 4 pupil

“I like doing fun things each week and doing messy experiments! Year 3 pupil

“I enjoyed exploring different materials” “I enjoyed learning how to care for animals” “I enjoyed experimenting and learning new things- Year 2 pupils.

“I enjoyed our experiment to find out which materials were waterproof” Year 1 pupil

“The sun made a shadow and we walked backwards, and forwards and it got bigger when we went back.” Early Years

“It was raining then it got cold and made the water dry up. That’s how the ice got there.” Early Years

“We made scrambled eggs by cracking open the hard shell, it broke into bits and runny stuff came out. We cooked it in the microwave, and it wasn’t runny anymore. We ate it, it was yummy.” Early Years

What could be even better in Science at John Bunyan?

“Maybe we could share our learning with younger years” Year 6 pupil

“If we did science more than once a week” year 5 pupil

“If we could do even more experiments” year 4 pupil

“I would like to do even more science” Year 3 pupil

“By always making Science lessons interesting” Year 2 pupil

How do you know if you are doing well in science?

“That we have tried our best and not given up!” Year 3 pupil

“I have learned something new.” Year 3 pupil

“We do a quiz before and after our learning. We also go through and use vocabulary” Year 4 pupil

“Teachers give us feedback and mark our work” Year 5 pupil

“When the experiment is a success” year 5 pupil

“When I finish my work and I have time to research more facts” year 6 pupil

“When I understand what we have found out from our experiments” Year 2 pupil

“When I ask lots of questions to find out more” – Year 2 pupils

“When we give good ideas for the experiments” Year 1 pupil
