Summer Term Year 3 Topic: Down At The Bottom Of The Garden.

Complete at least two homework tasks from the grid below; one for each half term.

	What do I know and understand?	Can I apply and show what I know?	What can I question, compare and analyse?	Can I evaluate and make judgements?	What can I create?
I enjoy reading, writing and speaking.	Explain the function of each part of a plant.	Create a fact file about plants.	Compare and contrast two different animals or plants.	Research what would be the best material for a Bunyanite house.	Write a diary entry for a Bunyanite for when the natural disaster occurred.
I enjoy thinking logically, working with numbers and being scientific.	Carry out a survey on plant and animal life in your garden.	Grow a plant. Keep a plant diary showing each stage of the plant's development. Measure how much it grows over a period of time.	Compare how plants grow in different places. Decide how to compare them and how to present the information you have found.	Experiment with growing cress in different conditions. What are the best conditions to grow cress?	Create your own Bunyanite money system. What would its value be?
I enjoy drawing and painting.	Draw a plant or animal from your garden/local park.	Draw and label parts of a plant describing what each part is for.	Recreate your version of your favourite Monet plant painting such as 'Waterlillies'. Explain why you have chosen the painting.	Find a piece of artwork of a natural landscape. What do you like/dislike about it?	Create your own home for a creature.
I enjoy being active and 'doing'.	Find out about natural disasters.	Create a fact file about a natural disaster.	Pack an 'emergency' evacuation bag for a Bunyanite. What items would you need? Why?	Make some mini clothes for a Bunyanite. Which material would be best to use? Why?	Record an information video telling people about natural disasters.
I enjoy making and listening to music	Listen to 'Flight of the Bumblebee'. What instruments can you hear?	Find out how to change the volume and pitch of a musical instrument.	Go outside and listen to the sounds around you. Can you recreate the sounds you hear?	Listen to the 'Carnival of the Animals'. Which piece is your favourite? Why?	Create a National Anthem for the Bunyanites.
I enjoy working with others.	With a partner, create a map of a magical land.	Explain to a friend, what a natural disaster is and how it affects communities.	Describe to a friend what it is like in the Bunyanite village. How is it different to another place in the U.K?	How can we best protect our local environment? Create a leaflet to explain your ideas.	With a partner, make a board game or game to play with the Bunyanites.
