

### Essex CU Families

Essex CU Families has been introduced in response to a growing interest from families whose children do not attend an Essex Children's University Membership School but would who like to become a Children's University Member.

Essex CU Families will also support the involvement of existing CU Learners where their school has decided to bring to a close its School Membership of Essex Children's University.

Essex CU Families is an annual membership scheme and will be launched in September 2016.

**Any questions:** Please email [essexCUmanager@hotmail.com](mailto:essexCUmanager@hotmail.com)
