## John Bunyan Primary School & Nursery

Friday 11<sup>th</sup> March, 2022

### Staffing

After 7 years of teaching at John Bunyan, Mrs Whittaker will be leaving us at the end of this term. We would like to thank her for her commitment to many children over the years and I am sure that you would all like to join us in wishing her all the very best for the future. We are also saying farewell to Mrs Roel at the end of term. Mrs Roel has supported children at John Bunyan for over 19 years. Again I am sure that you join us in thanking her for her commitment to our community and we all wish her well in her retirement.

### Ukraine

As we have watched the atrocities unfold over the recent weeks in Ukraine, staff have had many conversations with children, as I am sure you have had at home. It is so very difficult to know what we can do to help but last Friday an opportunity unfolded which our year 5 and 6 children were keen to take up. Mrs Quinn, one of our Governors works with schools all around the world and during her visit to us, she shared with me the story of Mr Cole, a Headteacher, originally from Yorkshire whose school was in Kyiv. She had visited the school in Ukraine last year and said that the children there were very welcoming, friendly and keen to learn, just like ours. However, the school was now closed, families were hiding from potential bombing and Mr Cole, the Headteacher, was communicating from a bunker below his home. The children have been learning a beautiful song and they recorded it for Mr Cole, his teachers and pupils to share; it is on our website under class blogs - A message for Ukraine. The words are poignant and our children wanted to let the children in Ukraine know that we are all thinking of them at this most terrible time.
